

EC-Declaration of Conformity

Document-No.: ACT201-DC.001/ June 2005

Page 1/2

Low Voltage Directive (73/23/EEC)

as last amended by: 93/68/EEC

" Directive of the Council for standardizing regulations concerning electrical equipment für use within certain voltage ranges. "

Application of the CE mark : 2005

Manufacturer: Bonfiglioli Vectron GmbH
Europark Fichtenhain A6
47807 Krefeld

Product: Frequency inverter

The described frequency inverters are in compliance with the regulations of the european directive 73/23/EEC.

The Company Bonfiglioli Vectron GmbH declares in exclusive responsibility the conformity of the following listed frequency inverters ACT 201... (Mains Voltage 184 – 264 V)

Type	Power / Design
ACT 201-05 FA	0,55 kW / Cabinet Type/ integrated Filter
ACT 201-07 FA	0,75 kW / Cabinet Type / integrated Filter
ACT 201-09 FA	1,1 kW / Cabinet Type / integrated Filter
ACT 201-11 FA	1,5 kW / Cabinet Type / integrated Filter
ACT 201-13 FA	2,2 kW / Cabinet Type / integrated Filter
ACT 201-15 FA	3,0 kW / Cabinet Type / integrated Filter
ACT 201-05 FC	0,55 kW / Cold Plate/ integrated Filter
ACT 201-07 FC	0,75 kW / Cold Plate/ integrated Filter
ACT 201-09 FC	1,1 kW / Cold Plate/ integrated Filter
ACT 201-11 FC	1,5 kW / Cold Plate/ integrated Filter
ACT 201-13 FC	2,2 kW / Cold Plate/ integrated Filter
ACT 201-15 FC	3,0 kW / Cold Plate/ integrated Filter

Annex to the Declaration of Conformity

Document-No.: ACT201-DC.001/ June 2005

Page 2/2

The conformity of the products on page 1 with the requirements of directive 73/23/EEC is confirmed by their conformance with the following standard:

Harmonized European standard

EN 50178 (October 1997)	Electronic equipment for use in power installations
-------------------------	---

Issued by:
Vectron Elektronik GmbH
